4. Discussion
  - A. Fish Stocking – Both lakes were recently stocked with a total of 1000 largemouth bass and 500 channel catfish. Chairman Morthorst will research contacting the DNR to survey the lake and determine if there should be any changes in the type of fish and the amount of fish purchased.
  - B. Weed Surveys – Clarke inspected both lakes on May 22<sup>nd</sup>. Both lakes will need to be treated this year for invasive weeds. Invasive weeds need to be treated early to allow for the non-invasive weeds to not be affected. The cost for Druce Lake is \$5259.20 and the cost for Third Lake is \$4685.40. Michelle will forward the proposals for treatment to the committee and members should respond to Chairman Morthorst with questions or comments by Thursday.
  - C. Commissioner Vacancy – Kortenkamp has resigned from the Lakes Committee. A replacement is needed and should be a resident who does not live on the lake. Anyone interested should contact the Village.
  - D. Boat Stickers – As of May 26<sup>th</sup>, 85 boat stickers have been purchased. Both Linden Ln and Lakeshore Dr. residents will be required to purchase boat stickers this year. The Lake County Sheriff will be monitoring the lakes this summer. Buckley stated that the purpose is not to harass boaters, but to remind them of the rules and be a presence on the lake.
