## **Permit Requirements For Generator Install**

The following items are required to be submitted at time of application for adding or replacing a generator.

**Please provide all documentation required to the Village Hall when submitting application for work to be completed.**

1. Completed Building Permit Application. Application must be signed, dated, and include the total value of the project.
2. Providing Plat of Survey showing up-to-date location of project to scale including driveways, patios, pools, fences, location of generator etc. This plat must also show building setbacks as required by Village Zoning Ordinance.
3. Contractor information including contact information.
4. Specifications of the unit to be installed.
5. Payment to the Village of Third Lake of **\$90.00** before permit is issued.
