## UPCOMING LAKE EVENTS

### Fishing Derby June 18th

Join us on Father's Day weekend for the Third Lake Father's Day Fishing Tournament. All ages are welcome, prizes awarded for different age groups and is a 100% catch & release tournament. No fishing license required as this falls on the Illinois annual free fishing weekend. Meet up at the Mariner's Cove Boat Launch on Druce Lake just before 8am on Saturday, June 18th. \$10 per 2 person team and payable in advance. Kayakers and Canoers are invited to launch and participate in derby. One teammate must be from the community and proceeds will be donated to Save-A-Pet. Please email [Vstevens@thirdlakevillage.com](mailto:Vstevens@thirdlakevillage.com) for advanced registration.

### Venetian Night Parade August 6th

Our annual Venetian Night Parade will be held on August 6th, 2022. Don't miss this fun, family friendly event with prizes! It's an "anything goes" theme so if you can dream it, then build it! Winners are judged on creativity based on theme, costumes, music, and decorations. 1st place wins a trophy, a 2023 boat registration sticker for your boat and a launch key. Runner up will be the People's Choice based on the most votes from calls, emails, and Facebook. The parade can be viewed from any of the boat launches, fire lanes or join your friends on Third Lake. Please email [Vstevens@thirdlakevillage.com](mailto:Vstevens@thirdlakevillage.com) for more information and registration.

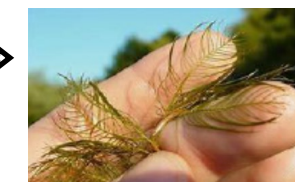

### Lake Health and Explanation of Aquatic Plants tour TBD

What is needed for a healthy lake? The Illinois DNR recommends a 20% - 40% coverage of aquatic vegetation for a healthy lake. Identifying invasive plants vs. beneficial plants is important to keep lakes healthy and less algae blooms and lake closures. The goal of the Village is to treat invasive species in the lake. Early in the spring when vegetation starts to emerge, the lakes are surveyed and problem locations are identified for treatment. The Village works with both the Lake County Health Department and Clarke Environmental services to determine the best treatment for a healthy balance of vegetation in the lakes. For more information on our lakes health please visit [thirdlakevillage.com](http://thirdlakevillage.com) where you can view some of the invasive species and more details about lake health. If you're interested in an in-person explanation come be a weed watcher! Kayakers and Canoers are invited to join the Lake County Health Department for a "Explanation of Aquatic Weeds." There is no fee so please email [Vstevens@thirdlakevillage.com](mailto:Vstevens@thirdlakevillage.com) to be added to the list. Time and dates to be announced.

## LAKE COUNTY ANNOUNCES \$90 MILLION FOR 2022 CONSTRUCTION

The Lake County Division of Transportation (LCDOT) announced the 2022 construction program that includes \$90 million for infrastructure projects to improve traffic congestion, increase safety, and reduce carbon emissions on Lake County's transportation system.

More than 35 transportation projects will be under construction in 2022, featuring intersection improvements, bridge and culvert replacements, bike path connections, and resurfacings.

### **Some of the projects include:**

- **Gilmer Road at Midlothian Road Intersection Improvement** Reconstruction of the intersection of Gilmer and Midlothian Road in Hawthorn Woods. Improvements include additional through lanes, turning lanes, bike paths and sidewalks.
- **Hart Road at Flint Creek Bridge Replacement** Construction of a new bridge over Flint Creek, inclusive of pedestrian accommodations.
- **Deep Lake Road Resurfacing** Resurfacing of Deep Lake Road from IL 132 to IL 173 in Lake Villa, Lindenhurst and Antioch. Improvements include new pavement, creating paved bike-friendly road shoulders, and regrading ditch lines to improve drainage.
- **Hunt Club Road at Washington St. Intersection Improvement** Adding dual left turn lanes and a right turn lane on all legs of the intersection at Hunt Club Road and Washington St. in Gurnee. Extension of the bike path just east of the intersection will extend from Washington St. to the ComEd bike path just south of Dada Dr.

## 2022 Flood Safety in Illinois

"Flooding is the most common disaster across the country and can threaten almost every community in Illinois," says the Illinois Emergency Management Agency (IEMA) in partnership with all local Emergency Management agencies and the National Weather Service. "Flooding in Illinois is a constant widespread threat that affected all communities," said IEMA Director Alicia Tate-Nadeau. IEMA has partnered with FEMA Region-5 and the national FloodSmart Campaign which highlights the importance of the National Flood Insurance Program (NFIP) including costs related to flooding, flood maps, and mitigation strategies.

Illinoisans are reminded:

- Do not walk, swim, or drive through flood waters Turn Around, Don't Drown!
- Stay off bridges over fast-moving water
- Just six (6) inches of water can knock you down
- One (1) foot of moving water can sweep your vehicle away
- Update your family communications plan
- Build an emergency preparedness kit
- Know the differences between Flood Watches, Flood Advisories, and Flood warnings

Stay informed of all the flood risks in your community and be prepared to keep your family safe in the event of an emergency. For more information on flooding preparedness efforts, please visit: [IllinoisEmergencyManagementAgency\(IEMA\).www.Ready.Illinois.gov](http://IllinoisEmergencyManagementAgency(IEMA).www.Ready.Illinois.gov)
